Mission

To provide a common forum in which to meet, discuss, exchange ideas, and assist all persons concerned with the conservation, development, management, and utilization of fresh and marine waters and related resources together with their environmental aspects.

To cooperate with Federal, State and local agencies, educational institutions, foundations, private companies, and with other local sections and chapters of the national organizations concerned with water resources.

To advance water resources research, planning, development, management, and education by collecting, organizing, and disseminating ideas and information in the field of water resources science and technology

NJAWRA Membership Benefits

Since 1970 the NJ-AWRA has provided professional development and educational opportunities for all persons interested or working in the field of water resources in New Jersey. The Section has grown in the last couple years, both in scope and range of influence, and now provides multiple opportunities for its members, through focused committees, seminars, conferences and field trips. Becoming a part of NJ-AWRA is a way to join with others to work towards a greater understanding of the variety of water resource issues in the State of New Jersey. Join NJ-AWRA - to further your own career and to contribute to the fulfillment of the Section's goals and objectives. We welcome government officials, consultants, suppliers and anyone with an interest in water.

The NJ-AWRA Will:

- Keep you up-to-date on the latest technologies and methods,
- Offer a network and forum for sharing experiences and lessons learned,
- Provide education courses and tools,
- Bring together the water resource community in NJ and help you build a network of State contacts,
- Recognize the outstanding contributions of individual achievement through the Peter Homack award,
- Discounts on attendance at NJ-AWRA events,
- Invitation to Members Only events, including field trips and special activities,
- Access to the online NJ-AWRA Membership Directory.
